"All our dreams come true if we have the courage to pursue them. You may follow a dream, but you must first have the courage to tell your neighbors what you're doing, and the courage to stick to it. You may have to face a few more snubs, but your dream will never be completed. It will continue to grow as long as there is imagination left in the world. I only hope that we don't lose sight of one thing - that it was all started by a mouse." - Walt Disney
