

## Movie Prop Declaration

**Certification: M34194**

To Whom It May Concern,

It is our declaration that the handgun used in the above pictured display (**The James Bond Collection**) is in fact a movie prop replica of a “**Walther PPK pistol with fake silencer**” made in Italy by **Bruni** and sold by **Collector’s Armoury** in **Culver City, California**. It lacks a firing pin, the barrel is visibly plugged, the prop is marked, and it **cannot be made to fire live ammunition**.
