Certification: M40660 – Harrods Article: 5132680

To Whom It May Concern,

It is our declaration that the gun used in the above pictured display (*The Godfather*) is in fact an Auto-Ordnance Company licensed movie prop replica of a "*Thompson submachine gun*" and **sold by Collector's Armoury in Culver City, California**. It lacks a firing pin, the barrel is visibly plugged, the prop is marked and **cannot be made to fire live ammunition.**
