Certification: M40728 (Harrods: 5169321)

To Whom It May Concern,

It is our declaration that the handgun used in the above pictured display (**Casino Royale**) is in fact a movie prop non-firing replica of a "**Walther PPK**" made in Italy by **Bruni** and **sold by Collector's Armoury** in **Culver City, California**. It lacks a firing pin, the barrel is visibly plugged, the prop is marked, and it **cannot be made to fire live ammunition**.
